Camp Goals

The goal of Rebel Soccer Camp is to prepare Walpole Youth Soccer players for their fall season by improving their technical and tactical skills. We also aim to develop leadership, teamwork, responsibility, and friendship. The camp directors are Mass State Olympic Development coaches Darren Marshall and Mike Rugnetta. The individual team coaches will be the Lady Rebel's Varsity Soccer players. This combination of great coaching and positive role modeling from the varsity athletes will deepen your love of the game and sense of belonging to this successful program. WE hope to see your child at Walpole Soccer Camp this summer.
